About & Options

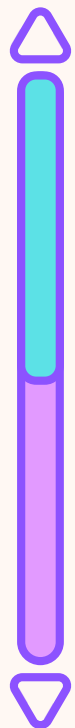

Hello! My name is Dania, I'm a local artist on a journey to share my skills with the world and make people happy after graduating college at PPU with a degree in animation and VFX. This particular craft began at the Pittsburgh Zoo for a company called Goofy Faces about 2 years ago now. To today where I work for hire and available for art projects anywhere.

General Info:

Each one takes me between 5- 10 minutes to complete, longer to color. With kids I can work from a photo if they can't sit still for a while. You have 2 options between super goofy push it to the extreme or a cute version! If you have any questions please ask

JUST FACES	BLACK & WHITE	\$ 20 per face
	COLOR	\$ 21 per face
FULL BODY	BLACK & WHITE	\$ 28 per face
	COLOR	\$ 30 per face
